

The BEI will support our BWH educators as we embrace new virtual and remote education models

How Can the BEI Staff Assist You:

Need information resources? Our Medical Librarian, Susan Warthman, MLIS, can offer guidance.

[Email Here](#)

Challenged with finding an education solution during this period of COVID19 adjustment? Our Education Specialist, Kristina Dzara, PhD, MMSc, can brainstorm opportunities.

[Email Here](#)

Working on an educational research project? Our Education Research Consultant, Ed Krupat, PhD, can offer research design and methodological support.

High Yield Tools for Educators

Virtual meetings and classes with Partners Zoom

- Request a zoom account with Partners or Harvard
- Free Basic Accounts also available
 - Unlimited meetings for up to 100 participants
 - Audio and video
 - Screen sharing
 - Whiteboarding
 - Annotation
 - Breakout Rooms
 - Local recording

Activate Here

Team Meetings with Microsoft Teams

- Login with your Partners email address and password.
- You may also install the Teams app on your mobile device
- Can be used for internal messaging and video meetings

Install Here

Document Collaboration with DropBox

- Login with you partners email to register
- Download the application if you want to synchronize files with your laptop/desktop
- Store, access, and share files from anywhere
- Connect your tools such as Zoom to your DropBox

Install Here

Audience Response Systems

Web-based audience response systems let you embed interactive activities directly into your presentation. The audience responds on the web or via SMS texting on their phones.

- [Free Harvard PollEverywhere account](#)
- [Free Basic Nearpod Account](#)
- [Free Premium Kahoot Account](#)

Mini Courses

A short online course, which takes two hours or less to complete.

- [HMS Canvas](#) the default platform for FAS course websites

Virtual Whiteboard

Pair the benefits of visual thinking and collaboration with the convenience of technology.

- [InVision Freehand \(Web, Android, iOS\)](#) Best online whiteboard for annotating design files with a team
- [Stormboard](#) (Web) for creating multiple whiteboards in a single brainstorming session
- [AWW](#) (Web) for embedding a live whiteboard on a web page
- [Miro](#) (Web, Mac, Windows, iOS, Android) for formal presentation of your whiteboard
- [Sketchboard](#) (Web) for saving and organizing multiple, unrelated whiteboards
- [Conceptboard](#) (Web) Best online whiteboard for large, complex whiteboards
- [Explain Everything](#) (Web, iOS, Android, ChromeOS) for creating whiteboard videos
- [Whiteboard Fox](#) (Web) for quick, informal whiteboard sessions

Webinars to Help Activate Your Remote Learning

Harvard Business Publishing Education Presents Adapting Quickly to Teaching Online | 8 AM EST March 19

Many educators have had to quickly turn to online teaching as a way to continue classes. In response, join us for a special 1-hour, free webinar to address your immediate needs. Professor Bill Schiano will be sharing tips, advice and best practices for teaching online. The webinar will cover a broad range of topics and will allow time for your questions.
