

Registration Instructions:

You will need to create a free account in order to register for the webinars. Once the account is created, you will be able to log in to see which webinars you are registered for. If you attended the live webinar sessions, you will also be able to log in to claim educational credit after each session

1. Go to the series website:

<https://cpd.partners.org/empower-her-and-now-webinar-series-/series/her-and-now-webinar-series>

2. Select the session you would like to register for by scrolling to the bottom of the page and clicking on desired session date:

Sessions	
Session	Date
September 11, 2026 Her and Now Webinar Series: HIV and Menopause	09/11/2026 - 12:30pm to 2:00pm EDT

3. Scroll to the bottom of the page and select “register” to create an account. (Click on “log -in” if you have already created an account, see “Step 2: Login and registration instructions” below)
